25X1 14. [ ] Called Marian Czarnecki, Staff Director, House Foreign Affairs Committee, to alert him to our concern about a possible amendment to the State Authorization bill on the House floor on Thursday concerning the role of the ambassadors. Czarnecki suggested that I continue to work with Al Westphal, Staff Consultant on the Committee, and with Representative Wayne Hays (D., Ohio) who will manage the bill on the House floor.

25X1 15. [ ] Talked with Al Westphal, Staff Consultant, House Foreign Affairs Committee, about the possibility of a floor amendment on the role of the ambassadors and how we might best get through to Representative Wayne Hays (D., Ohio) on this. Westphal suggested that we contact the Representative directly through his personal office. I attempted to reach Representative Hays this evening without success.

25X1A 16. [ ] Called [ ] NSA, to check with him on the status of their contacts with Norvill Jones, of the Muskie Surveillance Subcommittee. [ ] said that they still have not been pressed further by Jones.

25X1A I also brought [ ] up-to-date on our latest information on the House/Senate conference on the Freedom of Information Act amendments.

25X1 17. [ ] Ron Tammen, on the staff of Senator William Proxmire (D., Wis.), called to say that the Senator would be testifying before the Special Subcommittee on Intelligence, House Armed Services Committee, on Wednesday on Chairman Lucien Nedzi's (D., Mich.) bill to amend the National Security Act. Tammen asked for access to whatever material we have given the Subcommittee on this subject. I told him that the Director had testified in open session and supplied considerable material for the open record and I suggested that he contact Bill Hogan, of the Subcommittee staff, for this material.

Tammen said the Senator plans to oppose the section of Chairman Nedzi's bill which would prohibit transactions between the Agency and its former employees on matters of official business (Senator Proxmire feels this proposal may be attacked on constitutional grounds). Tammen also said that the Senator would support the provision in the legislation giving the Director authority to report cases of apparent compromises of Intelligence Sources and Methods to the Attorney General but he would oppose any provision for prior injunction.

Kenney referred me to Col. Cowan, of Senator Thurmond's staff, who in turn referred me to Roger Russe, also of Senator Thurmond's staff.

25X1 11. [ ] Called Bob Harmel, OMB, to clarify some points in the letter to Mr. Colby from Walter W. Haase, OMB, regarding the OMB draft bill granting individuals access to their Governmental records. He said that in spite of earlier assurances that we need not provide cost estimates, that OMB now wanted us to furnish these figures for both exempt and non-exempted categories of information. He also stated that OMB still wants our views on the OMB alternate draft to H. R. 12206 dated 12 July and revised 16 July, and invites our comments on H. R. 16183.

25X1 12. [ ] Twenty-four members of the House Foreign Affairs Committee and Marian Czarnecki, Staff Director of the Committee, visited the Agency for breakfast with the Director and a number of senior Agency officials. Y.) and Representative Donald M. Fraser (D., Minn.) pressed the Director on the [ ] Representative Michael Harrington (D., Mass.) pressed his point about Committee jurisdiction over the Agency's operations since he feels those operations affect foreign policy. The Director countered that our activities are conducted in furtherance of foreign policy and at the direction of the policy makers. The meeting lasted one hour and thirty minutes and most members seemed to feel that it was a worthwhile session.

25X1 13. [ ] Talked to Bill Jones and Lawson Moyer of State Department regarding State's proposed follow up answer to the inquiry from the Muskie Surveillance Subcommittee. We had some difficulty in agreeing on how the Subcommittee's request for access to the CIA/State instruction on reporting to ambassadors should be handled and we said we would regroup with our people and be back in touch.
